September 2006

M+B *Bound by Tones of Dirt and Bone* by Mike Brodie Sept 16 - Oct 21 The debut exhibition of 21-year-old photographer Mike Brodie. Recently a major cover feature in *Look Look* magazine, the Pensacola, Florida native has documented his friends and companions while traveling along the American railways for the last three years. In true Kerouac fashion, his own "On the Road" serves as a photo narrative of those he meets and stays with along the way. Opening Reception: Sept 16, 7-9 pm
